Community Connections for Families

February - June 2012

Community Connections for Families

Providing families and whanau with hands on skills in using Information and Communication Technologies to support life long learning and to encourage community connectedness. These family focused, intergenerational programmes are suitable for families and children over 7 years old.

We can design specific programmes to help up skill your community group in a particular area of interest. A tour of your local community library can also be arranged. For enquires regarding tailored programmes please phone (03) 941 5140.

Booking Procedure
